

# REWARD FOR PATIENCE

Do you know what makes life beautiful even while we all have difficult times in our day to day life? What holds us back from giving up too soon or from losing hope too fast? It is patience. It is the ability to be calm no matter whatever bad happens to you. It is to understand that everything comes to you at the right time. It takes time for the seeds you planted to give you fruits which are rewards for your patience. Here are some stories for you from the times of our forefathers to learn how to be patient in life.
